

# MONDAY MAILOUT: Week 1, Term 4

## ACRO OPEN MAT THIS SATURDAY

We are running an Open Mat session this Saturday 26<sup>th</sup> February from 4.30pm – 5.30pm. An Open Mat session is a great opportunity for students to practice the skills they are currently working on in class in a safe environment with the use of our acro mats. It is open to ALL current acro students and, while supervised by a qualified acro teacher, is not a structured class, giving students the change to practice any skills they wish. At just \$5 for the one hour session this is the perfect session for the passionate acro student. Email our team to book or simply walk-in on the day and join the fun!

## ACRO PRIVATE LESSONS

Acro Private Lessons with Miss Olivia are available for bookings every Saturday afternoon during Term. At \$37 for a 30min session private lessons are the perfect way to focus in on a particular skill your acrobat is determined to master. This is particularly useful for students who may only have one skill left to achieve before they are ready to move to the next acro level. To find out what sessions are available please email our team.

## SOCIAL DISTANCING REMINDER

Just a reminder that with the government restrictions in place we do have to be mindful of following the 2sq metre rule and because of this we cannot have excess people in the waiting room area. For those of you already using our Kiss 'N Ride system we thank you for doing so. If this is not possible for you we would appreciate if parents with students over the age of 6 years park their cars and then meet their child at the front door for collection rather than entering the waiting room. We are doing everything we can to minimise the risk and appreciate your understanding and cooperation.

## IMPORTANT DATES

We all know how busy life can get so make things a little easier for you by popping in all Term Dates for 2022 in your diary now! We will continue to update you with further important dates such as concert performances and competition events as the year progresses.
