

Term 1, Week 4

LAST CHANCE TO BOOK YOUR WEEK 1 MAKE-UP CLASS

Did you miss out on attending your week 1 dance class due to our brief lockdown? Have you booked your Make-Up Class? Make-Up classes will be running over the next two Sundays (28th Feb & 7th Mar). If you wish to take part in our Make-Up class series bookings are ESSENTIAL to ensure we can keep track of student numbers and teachers can prepare appropriately for the class. Remember to check in with admin if you are unsure if you are eligible to attend a class. If you have a passionate dancer who would love to attend a bonus class, you are welcome to book in for just \$10 per class. To reference our Make-Up class schedule please head to our Members Page.

CLASSES STILL RUNNING THIS LONG WEEKEND

YES, classes will still run over the Labor Day Long Weekend (27th Feb – 1st Mar). We look forward to seeing all our gorgeous dancers in class as normal over this period.

MEMBERS PAGE DETAILS

Our Dance etc Members Only Page on our website is the perfect place to go to catch up on all things Dance etc. All previous Newsletters and other important documents are uploaded so there is no need to search through your inbox for old communications. To access simply head to our website, click on 'ETC Members Only Login', and enter the password (etc21). This really is a great resource for all families, and we encourage everyone to jump on and check it out!

EXCITING OPPORTUNITIES IN THE MIX

We are always on the lookout for bonus events and opportunities our students can take part in, and already have some exciting things planned for this term. We have been lucky enough to book some workshops with interstate artists for our senior company students plus we are also involved in an upcoming pilot that is being filmed early next week. We pride ourselves in providing additional experiences to expose our students to the rich world of The Arts and look forward to continuing to provide these opportunities throughout the year.

KISS N' RIDE REMINDER

Thank you to all of our families that have been following our Kiss n' Ride Guidelines for all students aged 6 years and over, it is much appreciated. Please continue to be patient and courteous to others while waiting to pick up your dancer. If your dancer is running a little late please do a lap around the block to keep the line moving or head behind the studio to park and walk to the front door to collect your dancer. This allows parking spaces to remain free for our younger dancers and people who need to pop into the studio to pay or speak with admin.

Happy Dancing!
