

April Holidays

We hope everyone had a wonderful Easter Long Weekend and has found some time to relax this school holidays. We have been busy at the studio throughout the holidays with a number of our competitive students beginning to learn new solo routines for this competition season, running multiple pop-up dance and acro workshops and working away behind the scenes to plan end of year concerts, troupe costumes, new uniform orders and so much more!

Students will focus in on a set skill and be provided with several drills and exercises to help them achieve their goal. They will also be provided with a take home sheet with personalised feedback to assist with their at-home practice and guide them through progressions necessary to master each skill.
