

## Term 1, Week 7

### 7ELEVEN POLICY REMINDER

This is a friendly reminder to all parents to make sure you are up to date on our 7eleven Policy (as per our Terms of Enrolment: "Leaving the Premise"). It is your responsibility to have a conversation with your dancer regarding safety when walking to and from 7eleven or any of the local food vendors and decide whether this is something you wish to allow them to do. Any large rubbish items brought back to the studio must be placed directly in the large Skip Bin at the rear of Dance etc (ask Admin for the Bin Key) or taken home for disposal to prevent leftover food waste spilling into the waiting room bin and encouraging ants and other insects. 7eleven slurpies are banned from the Dance etc premise entirely. Anyone coming into the studio with a slurpie will be asked to remain outside and return their rubbish direct to 7eleven. Thank you for taking the time to ensure your dancer is aware of our policies and is putting safety first whenever leaving our premise.

### CUPCAKES - KIDS IN THE KITCHEN - BONUS ACTIVITY

This term at Cupcakes Dance our dancers and acrobats have been cooking up a storm as they dance and play to our Kitchen themed syllabus! As a special gift to our little dancers last week each student received a recipe to bake Miss Kate's favourite; ABCD Muffins. We hope you enjoyed bringing this fun activity home and we look forward to seeing all your delicious creations. Please remember to share and tag us in your muffin baking photos [@danceetc.perth](https://www.instagram.com/danceetc.perth)

If you missed out or have misplaced your recipe (or are an older student who would also like to try their hand at some baking!) you can find the recipe on the Downloads Section of our [Members Page](#).
