

Term 1, Week 3

NEW YEAR, SAME PARKING GUIDELINES

With week 1 of classes out the way and students now familiar with which studio they are dancing in and confident that they know exactly where to go when they enter the building, we will now be enforcing our Kiss n' Ride Policy for all students aged 6 years and over, as per our 2021 Terms of Enrolment. This allows our parking bays to be available for families with younger students who need to remain on site while they are dancing and people who need to visit admin to pay an invoice or ask a quick question. DO NOT park on the grass or in neighbouring businesses car parks (parking allowed in marked Dance etc Bays only). Thank you for helping us be courteous and keep the peace with our neighbours. If you require a parking space there is additional car parks available at the back of the studio (entry next to Casper Windows). We recognise that the Kiss n' Ride can get a little busy in peak times so please remember to drive slowly and keep an eye out for little ones, we appreciate everyone's patience and kindness while using this system. Thank you!
