

Studio Rehearsal Schedule “Pause/Play”

Saturday 23rd October @ Dance etc Studio #2

* **All dancers must arrive 20 mins early to properly warm in the warm up areas (studio #1 & #3)**

*This rehearsal day is **COMPULSORY** for all classes that have a COMBINED production piece in the concert so that they can practice their transitions.

*Classes that are NOT combining with another will not be required & therefore have not been scheduled on this day.

*This is not a full costume/dress rehearsal. Please do not wear your costume ☺

*No parents allowed in the studio as this will make our waiting areas too congested. Thank you for your understanding.

*Wherever possible, please use kiss n ride OR carpool to reduce congestion in the parking areas.
