2021 SOLO/DUO/TRIO EXPRESSIONS OF INTEREST

By being a part of our 2021 Company Team your daughter has the opportunity to perform a solo, duo, or trio as part of their 2021 competition season. We are currently taking expressions of interest from all students who are wanting to learn a new routine for this year. Please note each individual request must be approved by Kate and sending through an expression of interest does not automatically guarantee that you will be able to go ahead.

If you are interested, please send through your request via email including the style of dance and (ONLY if it is a duo/trio) which other student/s you would like to dance with. You may also nominate a Dance etc teacher you would like to work with however please note there are many considerations that go into allocating teachers and we may not be able to give you your preferred teacher, but we will ensure you are working with someone who fits your dancers style and will challenge and inspire your solo/duo/trio performer!

If you have any queries about what a solo/duo/trio involves please do not hesitate to have a chat to admin and discuss your options.

COMPANY TEAM MAKE UP CLASSES

Thank you for your patience in waiting for details regarding Make-Up classes. After discussing our options with the Dance etc Company Team we have decided to postpone any make-up classes for company until they have progressed further along with their competition routines so we can get the most out of these sessions. Therefore, we will be rescheduling these classes on a Sunday in the lead up to our first competition of the season, with more exact dates and times to come closer to this event. We are sure you will all agree that this is the best use of this lesson that our brief lockdown gifted us!
