TELETHON PERFORMANCE

A huge congratulations to our XLR8 PrePro dancers who performed at Telethon on the weekend, you all danced beautifully and did Dance etc proud. A shout out to Carys who also performed her tap solo at this event. We love being able to provide additional performance opportunities for our dancers and seeing them shine up on stage!

PAUSE PLAY PARENT VOLUNTEER CALL OUT

Calling out to any parents that are available to volunteer backstage at our PAUSE PLAY Production. If you have a dancer taking part in one act only and are available to assist backstage for the other act, please get in touch with our team via return email as any additional help is always appreciated.

CONCERT PHOTOGRAPHY AND VIDEOGRAPHY

At the concert this year we have Grant from Grant Lorje Photography in charge of photography and Adam from Digital Outpost filming the entire performance. As part of your Concert Participation Fee you are granted access to ALL concert footage and class photos and as such there is no need to film your child's item from the audience. Links to access all concert media will be available via QR code on this year's program and emailed out post-concert once the footage has been uploaded.

DOSE YOUR PERFORMING CHILD HAVE TICKET TO WATCH PAUSE PLAY

If your performer has a ticket to watch the show before/after their performance, you will need to drop off and collect them from the backstage area (by Door 2). Please make sure you have spoken to your child so they are aware that after their performance they need to make their way to the holding area (supervised by Ryan Buchan) so they are ready for you to collect them at your determined time. If your performer is in the audience watching prior to their performance, please ensure they are backstage at least 10 items before their dance.

CHILD SAFETY AT CONCERT VENUE

Dance etc is committed to providing a safe experience for all students when taking part in off-site events. This includes; no parents allowed backstage unless they are volunteering as a parent helper and have been given a backstage lanyard; children must be signed in and out verbally by a parent/guardian at the backstage area near door 2 (Miss Kate's husband Ryan Buchan will be working in this role); no student Under 18 will be allowed to leave the backstage area without a parent or guardian; no photography allowed in any change rooms to protect child privacy; no moving through the auditorium while dancers are performing; boys only changing room supervised by Dance etc male staff.

CONCERT TICKET COLLECTION

Please make sure you have collected your tickets from Admin prior to the concert day. If you have any concerns with your tickets on the day of the concert, please DO NOT go to Ticketmaster booth but find the Dance etc Ticket Booth (in the foyer near Door 2) and we will assist you.

CONCERT QUERIES

With our PAUSE PLAY Production taking place THIS WEEKEND, this is your final chance to ask any concert queries you may have. Please ensure you are up to date on ALL concert related info that has been sent out (head to the Members Page if you need to review anything!).
